MOAA TOPS Arizona Network

<http://moaatopsaz.org/>

The MOAA TOPS AZ Network mission is to compile, publicize, and disseminate job opportunities via its network of industry contacts, MOAA Chapters, military leaders, veteran service organizations and other MOAA stakeholders.

MOAA TOPS Arizona

MOAA operates a national level TOPS program to provide its members and their spouses with a wealth of information, services, and resources for job seeking. MOAA enhanced this program in CY 2008 with the development of a TOPS state networker system to support the national effort.

MOAA TOPS AZ, as part of the state-networking component of MOAA's National TOPS Program, performs its mission by sharing job opportunities posted by its network contacts through its focused web portal and state MOAA chapter email distribution list.

MOAA TOPS AZ is comprised of nearly 40 business and industry executives along with other professionals who routinely provide notices of employment opportunities in their areas for posting to the MOAA TOPS database.

The Arizona network relies on a coordinator, networkers, and informational network contacts to compile job listings, vacancies, and other employment opportunities in order to share amongst the state network, prospective job seekers, the national TOPS database, and other stakeholders.

Network Processes

The MOAA TOPS AZ Network Coordinator functions as the clearinghouse for job opportunities, vacancies, announcements, etc. for dissemination throughout the network.

A MOAA TOPS AZ networker, other network supporter, leader, or stakeholder sends details regarding a known job opportunity, vacancy, or listing to the MOAA TOPS AZ Network Coordinator (coord@moaatopsaz.org).

The coordinator disseminates submitted information to the network and other supporters via posting to the website and Email distribution lists back to the MOAA TOPS AZ Networkers, the Arizona Council of Chapters, and the MOAA National TOPS database.

Network marketing: Please share this information with your chapter members, business contacts, human resource departments, military contacts, prospective job seekers, community service organizations (i.e. Rotary, Elks, Lions, etc), veterans' service organizations (VFW, American Legion, etc) and other stakeholders.

Network Website
